JOINT MOTION TO EXTEND BRIEFING SCHEDULE DEADLINES

---

The appellant-respondent, Duke Energy Carolinas, LLC, and respondents-appellants, South Carolina Energy Users Committee and South Carolina Office of Regulatory Staff, hereby move to extend by thirty (30) days the briefing deadlines set by the Court in its Order entered on December 18, 2019. The parties have attempted to comply with the deadlines set forth in that Order but seek additional time for the reasons set forth below.

The December 18th Order established deadlines of January 31, 2020, for initial briefs and designations of matters to be included in the record on appeal; April 15, 2020, for response briefs and designations of matters; and May 22, 2020, for reply briefs and designations of matters. Due to the lengthy orders on appeal (92 total pages), the complexity of the issues, the volume of the transcripts (eight volumes), and the fact there is a pending appeal of a related action of similar size and complexity filed the same day (Appellate Case No. 2019-001904), the appellant-respondent and respondents-appellants request these deadlines be extended by thirty days as follows:

- (1) The initial brief and designation of matter by an appellant shall be served and filed by March 2, 2020.
- (2) Any respondent's brief and designation of matter filed in response to the initial brief of an appellant shall be served and filed by May 15, 2020.
- (3) Any reply brief and designation of matter by an appellant shall be served and filed by June 22, 2020.

The parties also request that all deadlines be stayed pending resolution of this motion.
